

Silver Lining Program Application Travel Scholarship for Deserving Youth

The 4th annual Silver Lining Program will provide an all-expenses paid travel experience for an entire class in 2010 as part of the foundation's Silver Lining Program. The dates and Location will be determined upon selection of the winning class.

The Silver Lining Program is for deserving high school students who have demonstrated through their action, intention, or circumstances the desire to overcome extreme happenings and expand their awareness, creating a dramatic life change. Only class/groups that feel their students have demonstrated the mission of the Silver Lining Program should apply.

Through the program, students will receive an all-expense paid travel experience that will allow them to grow intellectually, academically, and culturally. In addition, the trip will offer universal sharing, personal growth, and the opportunity to establish bonds and friendships that may last a lifetime.

Travel is a means of personal growth and enrichment in a young person's complete education. Realizing that not all youth have the resources to afford the costs related to a valuable travel program, the SYTA Youth Foundation provides financial resources and programs to make a positive difference in the lives of young people.
